Executive Director
Head of Group Equity Business
Kenanga Investment Bank Berhad

Warmest Greetings from Kenanga Investment Bank Berhad

On behalf of Kenanga Investment Bank Berhad, I am delighted to welcome you to the Kenanga Man of Steel 123.

This year marks our fourth consecutive year as title sponsor of this remarkable event, and we are proud to continue supporting a community that embodies courage, resilience, and the pursuit of personal excellence.

What inspires us most about the Man of Steel is that it represents far more than swimming, cycling, and running. It is about making sound decisions under pressure, staying committed when motivation fades, adapting when conditions change, and having the resolve to keep moving forward.

As a former triathlete myself, I know that every race is won long before race day. Success is built through countless early mornings, consistent training, thoughtful preparation, and the ability to adapt when circumstances change. Race day simply reveals the work that has already been done. Whether you are taking part for the first time or returning for another challenge, the commitment required to reach the starting line is already an achievement in itself.

These values resonate deeply with us at Kenanga. As Malaysia's leading investment bank and one of the country's foremost capital market specialists, we know that lasting success is rarely built on talent alone. It comes from preparation, sound judgement, disciplined execution, adaptability, and the resilience to navigate uncertainty with confidence. These same qualities continue to guide us as we advance our digital capabilities and innovate to better serve our clients in a rapidly evolving world.

That is why our partnership with the Man of Steel is such a natural one. The qualities that define a successful athlete are the very same qualities that drive progress in business, leadership, and life. Excellence is rarely the result of one extraordinary effort. More often, it is the outcome of consistently making the right decisions over time.

As you prepare for the challenge ahead, remember that every training session, every setback overcome, every sacrifice, and every disciplined choice has prepared you for this moment. Trust your preparation, embrace the challenge, and most importantly, enjoy the journey.

On behalf of everyone at Kenanga Investment Bank Berhad, I wish you a fulfilling and memorable race experience. We look forward to witnessing your achievements and celebrating the incredible spirit that makes this event so special.

Thank you, and we wish you every success in the race ahead. May you continue to inspire others through your determination, resilience, and the true spirit of a Man of Steel.

PRE-RACE INFORMATION

HOW TO APPLY YOUR RACE NUMBER TATTOOS

DO NOT apply any body lotion / oil / sun block before applying the tattoos. Your number tattoo is to be applied to your right upper arm. The tattoos can be easily applied by peeling the clear film off, placing the number face-down on your body, firmly pressing the paper side with a damp cloth or sponge, holding for 60 seconds and gently peel back the paper.

In the case your tattoo becomes faulty, please see our friendly staff at the Information Booth who will be able to assist by writing your number with a permanent marker.

TIMING CHIP

You will receive your timing chip on Race Day morning. No verification is required.

Your timing chip must be worn on your left or right ankle at all times during the race. If you do not start the race, you are responsible to return the chip to our staff member or timing team. If you lose your timing chip during the event, there is no replacement. Please notify our timing team immediately after crossing the finish line.

Failure to wear your timing chip on race day, return your chip after the event, or lost timing chip will be charged back to the athlete of RM200. After the race, if you realize you still have your chip, please mail it within 5 business days to:
